Third trimester

28 weeks

37 - 41 weeks

42 weeks

Antepartum stillbirth

- A1 Congenital malformations
Deformation
Chromosomal abnormalities
- A2 Infections
- A3 Antepartum Hypoxia
- A4 Other specified Antepartum disorders
- A5 Disorder related to fetal growth
- A6 Antepartum death of unspecified cause

Intrapartum stillbirth

- I1 Congenital malformations
Deformation
Chromosomal abnormalities
- I2 Birth trauma
- I3 Acute intrapartum event
- I4 Infections
- I5 Other specified intrapartum disorders
- I6 Disorder related to fetal growth
- I7 Intrapartum death of unspecified cause

Maternal condition

- M1 Complications of placenta, cord, membrane
- M2 Maternal complications of pregnancy
- M3 Other complications of labor & delivery
- M4 Medical surgical disorder
- M5 Healthy mothers

BIRTH

Livebirth

7 days

Early neonatal death

- N1 Congenital malformations
Deformation
Chromosomal abnormalities
- N2 Disorder related to growth
- N3 Birth trauma
- N4 Complications of intrapartum events
- N5 Convulsions and disorders of cerebral sattu
- N6 Infections
- N7 Respiratory and cardiovascular disorders
- N8 Other neonatal conditions
- N9 Low birth weight and prematurity
- N10 Miscellaneous
- N11 Neonatal death of unspecified cause
